GOVERNMENT OF PUNJAB

DEPARTMENT OF INDUSTRIES & COMMERCE

NOTIFICATION

The 11th May, 2022

No. Comm/ Logistics Cell/2021/2075-A.-In pursuance of the launch of PM GatiShakti National Master Plan for Multi-modal connectivity by Government of India, the Governor of Punjab is pleased to notify that the State Logistics Cell (SLC) constituted under the chairmanship of Administrative Secretary, Industries & Commerce, Punjab vide Notification No. Comm/Logistics Cell/2021/407-B dated 09/02/2021, shall also act as Network Planning Group (NPG) under the State Level Institutional Framework (SLIF) of PM GatiShakti with the following mandate:

1. The group will be responsible for sharing the specific Action Plans for 2020-21 to 2024-25 among the members for facilitating the integration of logistics networks, enhance optimization through modification/ expansion/new network creation to avoid duplication of works for holistic development of any region as well as reducing logistics costs through micro-plan detailing.
2. This group after examining all the interventions proposed to be taken by various Departments, will delineate all projects where synchronization of efforts is required and propose any changes in the PM GatiShakti State Master Plan-Punjab for consideration and approval of the State-EGoS (Empowered Group of Secretaries).
3. The Network Planning Group will also examine the following proposals which are currently not part of the Master Plan:
 - i. Important Projects of infrastructure connectivity included under multimodal infrastructure classification, where DPRs have either been completed or in the advanced stage;
 - ii. All major new connectivity / network proposals of infrastructure connectivity or those that are vital or critical from multimodal connectivity point of view to be so determined by the State Logistics Cell/NPG.

-
- iii. Further, NPG may also recommend critical multimodal connectivity project proposals which are even not recommended by any line Department to ensure proper integration and may also examine projects with reference to tourism development.
4. The Members from the concerned Departments in NPG will also be responsible in ensuring that the data inputs of the progress pertaining to the respective Department have been correctly mapped in the PM GatiShakti State Master Plan-Punjab through the individual applications provided by BISAGN.
5. Through GIS platform-based system (PM GatiShakti Maser Plan-Punjab), NPG will monitor all the interventions in the State Master Plan and prepare periodic reports for review by the State-EGoS on the implementation.
6. NPG will assist the State-EGoS in coordinating for any changes in the projects already included in the State Master Plan.
7. NPG will work in close coordination with the GoI, and private sector industries and experts will be closely associated and consulted during planning and implementation.

DILIP KUMAR, IAS

Principal Secretary to Govt. of Punjab
Department of Industries & Commerce
